CALIFORNIA DEPARTMENT OF MENTAL HEALTH

Medi-Cal Transfer, Stakeholder Summer 2011 and Realignment Information

DMH to DHCS Medi-Cal Transfer 2011-2012

Background:

Assembly Bill (AB) 102, which Governor Brown signed into law on June 28, 2011, requires the transfer of Medi-Cal related mental health functions from the Department of Mental Health (DMH) to the Department of Health Care Services (DHCS) by July 1, 2012. This is not a change in mental health benefits or eligibility. AB 102 requires DHCS to submit a transition plan to the California Legislature by October 1, 2011, and stakeholder input is critical to our development of this plan. There will be a series of meetings with stakeholders and the links below will take you to the materials for each meeting, as well as other information.

DHCS has also established a special email address for individuals to submit comments and suggestions for this transition. The address is DHCSMHPMEDI-CALTRANSFER@DHCS.CA.GOV.
